As part of our commitment to the safety at Skilljar Connect, all attendees must provide either verification of vaccination or a negative covid test within 3 days of the event before checking in.
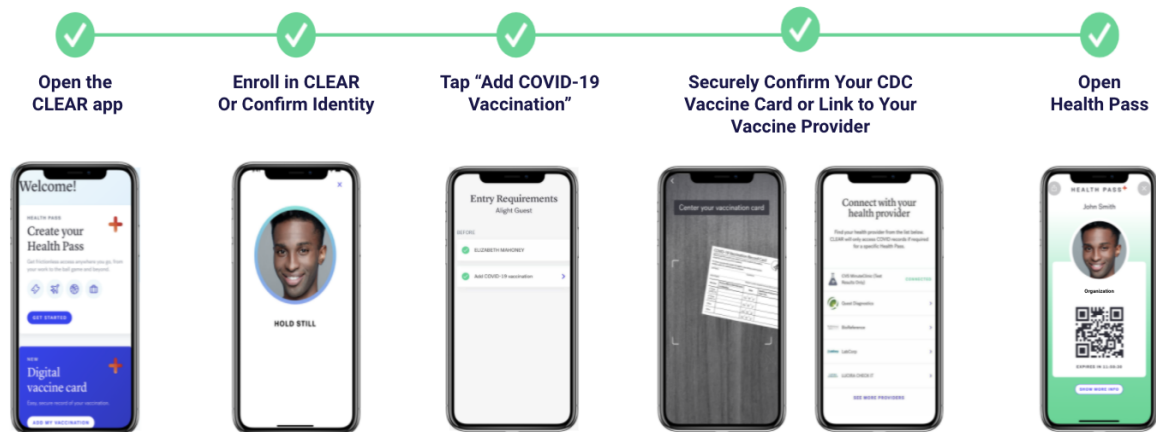

- At registration, we will be using **Health Pass by CLEAR**, which provides secure, digital proof of COVID-related health insights via the free CLEAR mobile app. Complete your health screening with **Health Pass by CLEAR** ahead of time for expedited check-in and entry!

    Download and enroll here: https://clear.app.link/EFAttendee14

- In addition to Health Pass, we will also have on-site testing available for purchase.

- For the most efficient entry possible, every attendee should enroll with CLEAR before the event to complete their COVID-19 pre-screening. Once your vaccination record or test results have been uploaded to the platform, it can typically take up to 30 minutes for your status to be verified. We encourage all attendees to complete this process at least 24 hours before the event.
